EXISTING SURFACE WATER CHANNEL OUTLET THROUGH THE BOUNDARY WALL IL +08.00 (OUT) CHANNEL TO BE CLEARED AND LINED WITH CONCRETE. DETAIL TO BE AGREED WITH DLRC

EXISTING SURFACE WATER CHANNEL OUTLET THROUGH BOUNDARY WALL

Tree No. 0283 & 0480 are to be retained within the development but will be required to come under the protection works. The impact on these trees from the works will not require their removal and the works and all development works around these trees will need to be controlled by the project architect and the necessary measures taken to address these and safety which will need to include priority to retain these trees. New tree planting is to be added here to mitigate their loss long term
